EARTH HOUR & EARTH DAY

Mark your calendars for Saturday, March 28, 2026, at 8:30 p.m. and join millions around the world in taking action for our planet! Earth Hour brings together people across six continents, more than 170 countries, and 24 time zones in a shared commitment to sustainability through simple, meaningful choices.
To begin our school-wide participation, we will observe Earth Hour on Friday, March 27, from 1:30 p.m. to 2:30 p.m. During this time, students will explore why conserving energy matters and how everyday actions can help protect the environment.
And the celebration doesn't end there—Earth Day is coming up on Wednesday, April 22! Throughout April, we'll continue learning how small changes can create a big impact, especially when it comes to reducing energy use and caring for our planet.
Let's work together to build a greener, more sustainable future for everyone.

PD DAY

FOR PREPARATORY, SENIOR PREPARATORY AND GRADE 1 CLASSES ONLY!

Preparatory, Senior Preparatory, and Grade 1 students will have a P.D. Day on Friday, March 13, ahead of March Break beginning Monday, March 16. This is a non-instructional day for these grades, allowing staff to participate in professional development.

Regular classes will continue for Toddlers, Casa NT, and Casa students.

INTERNATIONAL DAY FOR THE ELIMINATION OF RACIAL DISCRIMINATION

Every year on March 21, the United Nations observes the International Day for the Elimination of Racial Discrimination, a day dedicated to promoting inclusion, equality, and standing against racism in all its forms.

To honor this important day, the Amarillo Campus will host International Day on Friday, March 27. Students are invited to wear clothing that reflects their cultural background, country, or region—an opportunity to celebrate the rich diversity within our school community.

Parents and guardians are also welcome to contribute a dish that represents their cultural heritage. Sign-up sheets will be available outside classrooms. Please ensure all food items include a list of ingredients. We recommend store-bought or restaurant-prepared foods. For our youngest learners (Toddler, Casa NT, and Casa students), all contributions must come from licensed restaurants or grocery stores in accordance with the Child Care and Early Years Act.

We look forward to celebrating the many cultures that make our community so vibrant and unique.

Handicapped Parking Area

Thank you to the parents who are exercising caution and following the school rules regarding parking. We would like to remind parents and visitors that the handicap parking spots are reserved for people who have a valid handicapped parking permit. Anyone parking in this space should display the permit making it clearly visible for inspection by authorities.

Markham By-law Enforcement Officers will be patrolling our parking area. Do not park in the handicap parking space without a valid permit. With everyone's cooperation we can make the parking lot a safer place for all!
