Mother's day
Sunday, May 10th

With the arrival of spring comes a special opportunity to recognize the incredible mothers in our midst. We celebrate you for the many ways you support, guide, and inspire your children and our school community. Your contributions are felt every day, and we are deeply grateful.

Wishing all the remarkable mothers a joyful and memorable Mother's Day.

Victoria Day

Please note that the Amarillo and Clayton campuses will be closed on Monday, May 18, in observance of Victoria Day. Classes will resume at their regular hours on Tuesday, May 19.
We wish everyone a restful and enjoyable long weekend!

Chick Hatching Program

We're delighted to share that our chicks have officially arrived for this year's chick-hatching program! Students are already captivated as they watch the incredible hatching process unfold. This hands-on experience inspires curiosity, sparks excitement, and helps our young learners develop a deeper appreciation for new life and the wonders of nature.
Our Chick Hatching Program runs from **April 22 to May 27**, giving students plenty of time to observe, learn, and enjoy this special experience.

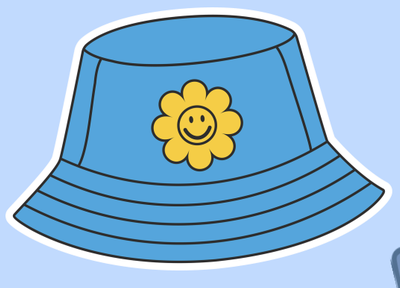

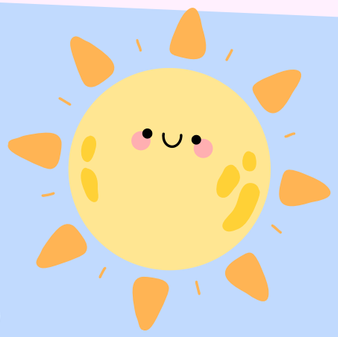

PLANTING PROGRAM

Alongside our chick-hatching program, our young gardeners have been planting seeds and watching their sprouts grow. These hands-on experiences are helping students explore the cycle of life, develop responsibility, and understand what it means to care for living things. Once the outdoor planting season begins, each class will be responsible for planting in their own class planter and taking care of it throughout the spring.

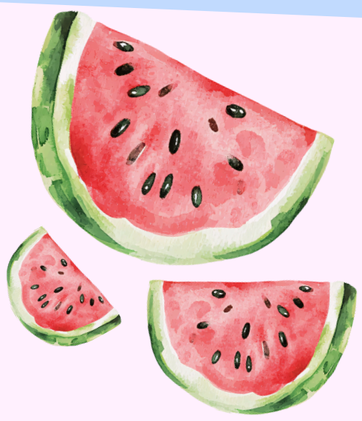

warmer weather!

As the weather warms up, students will be spending more time enjoying outdoor activities. Please ensure your child comes to school with a hat and sunscreen. *(Families in the CWELCC division will also need to complete the sunscreen permission form.)*

To help avoid mix-ups, we kindly ask that all personal items are clearly labeled. Students should also wear comfortable, safe footwear suitable for active outdoor play.

Summer Camp

June 29 to August 28

Registrations for the 2026–2027 school year are moving along smoothly for both new and returning students. Thank you to the families who have already completed the process and confirmed their plans for next year at TCPS.

We're also excited to share that preparations for our TCPS Summer Camp are underway. With our team of familiar teachers leading the program, students can look forward to a summer filled with engaging activities and plenty of fun.

This year's Summer Camp will run for nine weeks, from June 29th through August 28th.

Updated calendars — including details on summer trips, special visitors, and upcoming events — will be available soon, so keep an eye out for those. We're looking forward to a great summer ahead.

2025-2026 Pre-School Yearbook

We're thrilled to share that the 2025–2026 Pre-School Yearbook is on its way! Our Yearbook Committee has been hard at work putting together a beautiful collection of memories from this year's trips, concerts, celebrations, and special moments. It's a keepsake your family will enjoy for years.

Thanks to the Student Activity Fee paid earlier this year, every TCPS student will receive a complimentary copy. Yearbooks are scheduled to arrive in mid-June, so keep an eye out for this wonderful reminder of a fantastic school year.

SOME FINAL SPRING SNAPS!
