Grade 4-8 Instrument Return Day - Friday, June 6

If your child in grades 4 to 8 has a rented instrument from Harknett Music, you have 3 options for the end of the year:

- purchase the current rental instrument,
- renew the rental agreement now for the next school year, or
- return the instrument by Friday, June 6th.

Students who are purchasing or renewing the rental of their instrument for next year should not return their instrument but keep it at home over the summer. Gr. 5 PYP Exhibition

Our Grade 5 students recently concluded their PYP Exhibition, marking a significant milestone in their educational journey. The PYP Exhibition is the culminating project of the International Baccalaureate Primary Years Programme (PYP), typically undertaken by students in their final year of the program. Over the past weeks, these young inquirers engaged in deep, self-directed exploration of diverse real-world issues. They demonstrated remarkable creativity, critical thinking, and collaboration skills as they researched, took action, and developed insightful presentations. The exhibition showcased their hard work and learning, with students confidently sharing their findings and reflecting on their growth. This event not only celebrated their achievements but also highlighted their readiness to transition into the next phase of their education. Congratulations to our Grade 5 students for their outstanding effort and dedication!

Gr. 8 MYP Community Project

Our Grade 8 students completed their MYP Community Projects, showcasing their commitment to service and social responsibility. The MYP Community Project is a significant element of the IB Middle Years Programme (MYP), designed for students in their third or fourth year of the program.

Throughout this project, students identified pressing local and global issues, devised actionable solutions, and implemented initiatives that made a positive impact in their communities. From environmental conservation efforts to social awareness campaigns, their projects reflected a deep understanding of the importance of civic engagement and global citizenship. The culmination of their hard work was presented to the school community, highlighting their problem-solving skills, creativity, and dedication. Congratulations to our Grade 8 students for their inspiring projects and meaningful contributions!

TCPS Grade 2-3 Spring Concert - Feelin' Good

On May 8 and 9, our grades 2 and 3 classes performed in our Spring Concerts. The students sang and danced to some delightful songs. The performers had a great time and we know the audience did too! Especially with the t-shirt giveaway! Congratulations to the students and teachers for a terrific job and thank you to Ms. Gladys Lee for putting on a wonderful show this year!

TCPS Grade 4-8 Band Concerts

Our Band Concerts were held on May 15 and 16 with fantastic performances by our grades 4 to 8 bands and choir. All the bands performed exceptionally well including the grade 4 band who played in their very first band concert! Congratulations to all the student performers and our music teachers Ms. Gladys Lee and Mr. Danny Friedman for two wonderful Band Concerts this year!
