Classes with course codes ending in “7” are for IB Diploma students only (though these are often offered concurrently with courses open to non-DP students)

Classes offered in period 3A (40-minute block) are either half-credit courses or full-year courses which carry over both semesters; please check the notes to the right of the course

Classes with course codes ending in “A” or “B” are half-credit courses with the exception of HZT 4UA and HZT 4UB (philosophy/IB T.O.K.). Students must complete both these course in consecutive years to earn one full credit.
