## TOWN CENTRE PRIVATE HIGH SCHOOL COURSE SELECTION SHEET 2020

Senior Science Credit Courses: Summer, 2020  
June 29 - July 31, 2020

STUDENT'S FULL NAME: \_\_\_\_\_

Students entering grade 10, 11 or 12 next year may choose to take a summer science course at Town Centre. These courses are full 110-hour Ministry courses. These courses will be included on student transcripts and grades will be submitted to Ontario universities.

These courses are strongly recommended for both IB Diploma and Ontario curriculum students who are considering taking multiple science courses in grades 11 and 12.

These courses are offered at **NO ADDITIONAL COST** for students registering in the Town Centre IB Diploma program. The cost to students in the Ontario curriculum program is \$800.

Course code (select one)	Ontario Course title	Prerequisite	Credit value
SPH 3U	Physics, grade 11, university preparation	Grade 10 science (academic)	1.0
HZB3M	Philosophy, grade 11, university preparation	No prerequisite, open to students in grade 9, 10 or 11	1.0
SCH 4U	Chemistry, grade 12, university preparation	SCH 3U (grade 11 chemistry)	1.0
