I am selecting the Remote Learning Option for my child.

By selecting the Remote Option, I understand that my student will not be attending the day program at Town Centre Private Schools. Online learning will be available for students who do not return to school physically. **Please note that, in order to maintain safety and appropriate cohorts, children whose families opt for online learning in September may be required to wait for a specific entry point to return to in-school classes.**

Although not in class, I hereby agree and indicate my understanding that the School's Code of Conduct and all other policies regarding academics and school procedures as well as current policies in place in response to the COVID-19 pandemic still apply to my child and myself.
