## 2020 - A Year to Remember!

The year 2020 will be remembered for our resilience in adapting and overcoming challenges of the pandemic and how we managed to fulfill our goal to keep our children continuing their education in a safe environment. The students returning to school is truly vital for their education and well being.

We would like to take this opportunity to extend our sincere thank you to the entire school community for working together and following best practices to avoid the spread of COVID-19 within our school. It has been extremely gratifying to see the efforts of staff, students and parents working together and cooperating with the new health protocols that the school has implemented this year.

Once 2020 is firmly in our rearview mirror, we hope the pandemic follows suit!

## Virtual Parent Teacher Interviews Thursday, December 3, 2020

## Elementary Bullying Prevention and Awareness Week

During the week of November 16<sup>th</sup> to 20<sup>th</sup>, elementary students participated in a Bullying Awareness and Prevention Week. The week was dedicated to raising awareness about bullying. Teachers engaged the students using activities involving art, role play, or discussion.

Our grade 1 students watched videos and skits with anti-bullying messages. We are very proud of the school spirit and caring attitude shown by our students throughout the entire week. The Bullying Prevention program and understanding is a solid foundation for our students, both at home and at school.

### Pick Up Procedure

Parents please note that starting from the New Year 2021, Entrances B and C will be locked at 5:30 p.m. All students formally using these entrances will now be picked up at Entrance A located at the front Office.

### Winter Weather

The winter weather has arrived and we ask all parents to bring snow pants, boots, hats and gloves with your child's name clearly written or labelled, to school everyday. Students will not have outdoor gym or recess if it is extremely cold.

TCPS is doing our best to capture the spirit of the holiday season for our students! Given the current pandemic and students doing their best to adjust to this new norm, we are making sure that the students continue to feel the spirit of the season!

In lieu of our Annual Christmas Concerts we are putting together a brief performance by the students and we hope to post it in our class app for our parents to enjoy during the holiday season!

Please stay tuned for exciting updates and further details through the school/class app!

### Last Day of School December 2020

Families are reminded that Thursday, December 17th is the last day for our Preparatory, Senior Preparatory and Grade 1 students. Grade 1 students are invited to wear civvies to school instead of their regular school uniforms on Thursday.

Friday, December 18th will be the last day for all Casa classes.

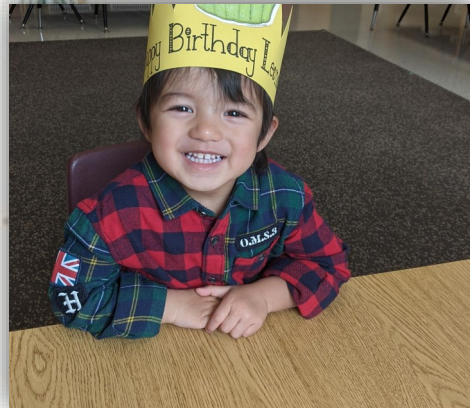

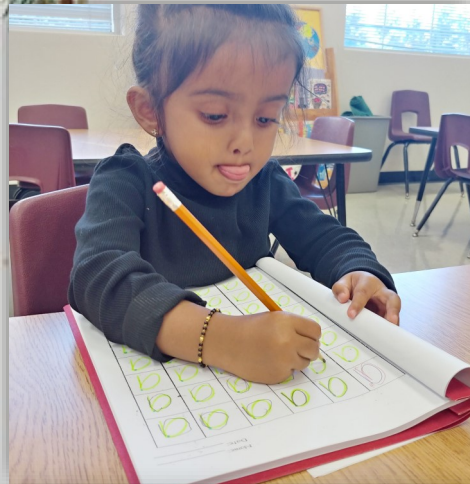

### Holiday Wishes

On behalf of all the TCPS staff, we would like to wish you a happy holiday season and hope that you have an enjoyable holiday with your families and loved ones. Please note that all Campuses of the school will be closed during the holidays.

We thank everyone for their efforts in making this a wonderful school year to date, and look forward to seeing you all back at school on **Monday, January 4, 2021.**

*Merry Christmas*
