International Day

On International Day, Thursday, March 11th we will celebrate the wonderful multiculturalism that we enjoy as Canadians. All students are encouraged to dress in outfits representing their ethnic background, or country or region of origin.

Due to the current pandemic no food will be allowed to be brought into the school. Students will enjoy this day through various cultural activities within their cohorts. We will do our best to make sure that students can still celebrate International Day but in a more limited fashion.

If you have any questions please speak to one of the Vice-Principals.

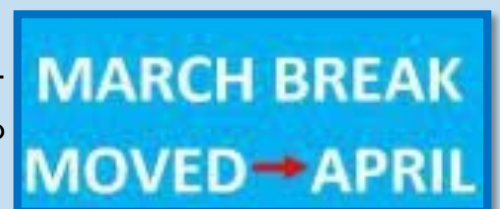

March 12th P.D. Day cancelled for Preparatory and Senior Preparatory

As per our school calendar, we had scheduled a P.D. Day on Friday, March 12th for our Preparatory, Senior Preparatory and Grade 1 students. We would like to inform you that the P.D. Day has been cancelled only for our Preparatory and Senior Preparatory classes. This will be a regular school day for them. Classes will be as usual, and school will remain open for our students from 7 a.m. to 6:30 p.m.

We would also like to remind all of our Grade 1 parents that TCPS will be closed on Friday, March 12th for a Professional Development Day for our Elementary staff.

April Break (12th to 16th)

As per the Ministry of Education's announcement, TCPS reminds families that the March Break that was originally scheduled for March 15 to 19, 2021 has been postponed to April 12 to 16, 2021.

The annual Earth Hour will take place on Saturday, March 27th, 2021 at 8:30 p.m. Six continents, over 170 countries, and 24 time zones will be united as a global community, making our voices heard through individual action.

TCPS will observe Earth Hour on Friday, March 26th from 11:00 a.m. to 12:00 p.m. Students will be made aware of the importance of conserving energy and saving the environment.

We will observe Earth Day on Thursday, April 22nd and will continue to talk about what each of us can do to help save the planet, and the different ways we can help to conserve energy.

Every student matters, every moment counts...
