June 2022

Another Incredible Year to Remember!

As we draw closer to the end of the school year we have to be proud of ourselves for overcoming the ever evolving challenges this year.

We want to take this opportunity to thank the parents, students, staff and the entire TCPS Community for being so cooperative and supportive in adapting to the many technological and procedural changes that occurred this year. Our mission to provide a safe educational environment to our students continues successfully. As we move ahead together, we look forward to seeing you all in September.

We also want to thank parents who have already registered and selected TCPS as the academic choice for their child's education. If you have any questions concerning the registration process, you require assistance completing the forms, or have any questions about reregistration, please contact the Office.

Count Down To Summer Camp Begins.....

TCPS Summer Camp begins on **Monday, July 4th**. This day is quickly approaching. Parents and guardians may register their child weekly during the months of July and August. The TCPS Summer Camp combines fun, entertainment, sports, special theme days and Montessori program. As always the safety of our students is paramount and the assurance that their child will be well looked after and enjoy seasonal outings and activities while strictly observing all the protocols outlined by Public Health.

We would like to thank all our parents and guardians who have already registered for our Summer Camp and we encourage enrolment for your child so that they can enjoy our fun and fantastic Summer Camp!

The annual Summer Camp Fun Day for our students will be held on June 22nd and 23rd. It will certainly be an awesome preview to our Summer Camp program.

Students will have the opportunity to participate in a fun filled day of Summer Fun activities! What an exciting prelude to our Summer Camp program which begins July 4th!

As this is an outdoor event we remind you that it is necessary for the children to be dressed appropriately and to bring a hat and sunscreen lotion. More detailed information to follow shortly via the class app.
