

# 2022 TCPS National Mathematica Centrum Contest Results

**TOWN CENTRE  
PRIVATE SCHOOLS®**

**IB World  
School**

The Mathematics Contest Centre prepares some of the top mathematics competitions in North America including the Canadian National Mathematica Centrum Contests.

Each April, Town Centre Private Schools participates in the Canadian National Mathematica Centrum Contests. Six elementary contests are held, one for each grade from 3 to 8 and TCPS students make us proud year after year. Not only did TCPS students excel at their grade level but a select number of students in grade 8 also wrote contests a grade higher than their current grade level, and four grade 8 students achieved a perfect score on the Grade 9 Newton Contest. Outstanding!

This year, Town Centre Private Schools competed along with 1,548 public and private Canadian schools. Below are the results:

## 2022 TCPS Mathematica Centrum School Results

Ranked 1 <sup>st</sup> with the highest score out of 237 schools	Grade 4 Byron-Germain
Ranked 1 <sup>st</sup> with the highest score out of 76 schools	Grade 9 Newton
Ranked 3 <sup>rd</sup> with the 2 <sup>nd</sup> highest score out of 352 schools	Grade 6 Pythagoras
Ranked 4 <sup>th</sup> with the 3 <sup>rd</sup> highest score out of 306 schools	Grade 5 Fibonacci
Ranked 4 <sup>th</sup> with the 4 <sup>th</sup> highest score out of 186 schools	Grade 3 Thales
Ranked 15 <sup>th</sup> with the 5 <sup>th</sup> highest score out of 187 schools	Grade 8 Lagrange
Ranked 21 <sup>st</sup> with the 11 <sup>th</sup> highest score out of 204 schools	Grade 7 Euler

In 2022, 32,640 students from across Canada wrote the grades 3 to 9 Mathematica Centrum Contests. All TCPS students in grades 3 to 8 wrote this year's contests and in addition to their grade contests, a select group of students in grade 8 also wrote the Grade 9 Newton Contest.

Town Centre Private Schools' top achieving students at each grade level were recognized for their achievements at the Academic Awards in June. In addition to the award winners, several students achieved outstanding results with only one or two errors on the tests, and 54 students made the Mathematica Honour Roll (see page 4) for attaining a grade of 80% or higher. Well done!

At Town Centre Private Schools, we are truly committed to helping each child unlock their full potential in every aspect of their studies. Results like these prove that our teachers are preparing TCPS students to move forward with confidence to high school and post-secondary education.

# 2022 TCPS Mathematica Centrum Individual Results

Congratulations to our Canadian Champions, Alizeh, Cassia, Ethan, Gordon, Isaac, Matthew, Weifan, Isha, Ishita and Ian who all achieved a perfect score.

## Grade 3 Thales

Evangeline S. and Alexis T. achieved the 2<sup>nd</sup> highest score with only 1 error ranking 10<sup>th</sup> among 3,458 students

Ronit H. achieved the 3<sup>rd</sup> highest score with only 2 errors ranking 23<sup>rd</sup>

## Grade 4 Byron-Germain

Isaac L., Ethan L. and Gordon P. are Canadian Champions having achieved a perfect score among 5,568 students

Ellie L. achieved the 2<sup>nd</sup> highest score with only 1 error ranking 21<sup>st</sup>

## Grade 5 Fibonacci

Matthew C. is a Canadian Champion having achieved a perfect score among 6,810 students

Nathan M. and Aadya R. had the 2<sup>nd</sup> highest score with only 1 error ranking 34<sup>th</sup>

## Grade 6 Pythagoras

Weifan J. and Cassia S. are Canadian Champions having achieved a perfect score among 7,299 students

Chloe L. and Austin P. achieved the 2<sup>nd</sup> highest score with only 1 error ranking 30<sup>th</sup>

## Grade 7 Euler

Alex X. achieved the 4<sup>th</sup> highest score with only 3 errors ranking 65<sup>th</sup> among 4,641 students

Noah S. achieved the 6<sup>th</sup> highest score with only 5 errors

## Grade 8 Lagrange

Evelyn L. achieved the 2<sup>nd</sup> highest score with only 1 error ranking 27<sup>th</sup> among 3,767 students

Zoe L., Daryn M. and Sahil Z. achieved the 2<sup>nd</sup> highest score with only 2 errors ranking 79<sup>th</sup>

## Grade 9 Newton

Isha H., Alizeh K., Ishita S. and Ian Y. are Canadian Champions having achieved a perfect score among 1,097 students

Maya B., Aaryan K., Setaya S., Andrew X., Darwin X. and Andy Y. achieved the 2<sup>nd</sup> highest score with only 1 error ranking 16<sup>th</sup>

(see over for Mathematica Centrum Honour Roll recipients)

# 2022 TCPS Mathematica Centrum Honour Roll

The following students have made the Mathematica Centrum Honour Roll. This impressive achievement ranks these students' scores in the 94<sup>th</sup> percentile and higher among participating students. Congratulations!

## Grade 3 Thales

Ronit H.  
Ethan L.  
Evangeline S.  
Alexis T.  
Darcy T.  
Ivan X.

## Grade 4 Byron-Germain

Saiyuri C.  
Isaac L.  
Ellie L.  
Ethan L.  
Tristan L.  
Gordon P.  
Syna S.  
Austin W.  
Eric W.  
Galaxy Y.

## Grade 5 Fibonacci

Matthew C.  
Amar G.  
Nathan M.  
Aadya R.

## Grade 6 Pythagoras

Allison C.  
Miller D.  
Radin G.  
Weifan J.  
Rithika K.  
Sara L.  
Chloe L.  
Isabel N.  
Owen O.  
Austin P.  
Cassia S.  
Victoria S.  
Kaiden W.

## Grade 7 Euler

Bryan C.  
Kaden L.  
Noah S.  
Alex X.

## Grade 8 Lagrange

Zoe L.  
Evelyn L.  
Daryn M.  
Sahil Z.

## Grade 9 Newton

Maya B.  
Michael C.  
Isha H.  
Aaryan K.  
Alizeh K.  
Ishita S.  
Setaya S.  
Andrew X.  
Darwin X.  
Andy Y.  
Ian Y.

Congratulations  
to all the grades 3  
to 8 students who  
participated in this  
year's Mathematica  
Centrum Contests.
