## **Lunch, Snack and Recess:**

Students will have a morning and afternoon snack break, and a lunch break. All students must bring a lunchbox from home with a lunch which does not need refrigeration or heating. Although the school is not a nut free facility, we do ask for the cooperation of all parents and students to avoid bringing peanut and nut products to camp. During snack and lunch breaks, students will go outside for recess. Please ensure that your child has a hat and their own sunscreen at camp. All students must bring a water bottle.

## **Clothing:**

Students should wear clothing which is suitable for active play. Ideal clothing choices are shorts, t-shirt and a light sweater. All students must have proper running shoes to participate in sports activities. Please keep in mind that the students may be in contact with materials like paint and glue which may stain clothing.

## **Medication:**

If your child needs to take medication while at camp, parents must visit the Main Office and complete a medical form to give signed consent for medication to be administered. Medication must be in the original container with your child's name on it and should not be expired. For the safety of all of our students, please do not give your child medication to keep in his or her pocket or lunch box. Students who need EpiPens for anaphylactic allergies are required to have 2 EpiPens at camp. Students who need puffers for asthma are required to have 2 asthma puffers at camp. Please visit the Main Office for assistance.
