

## TCPS High School Summer Workshops 2025

### **Art & Digital Media Exploration**

**June 30 – July 11 | 9:00am-3:00pm | Cost: \$500**

Unleash your creativity in this hands-on summer program focused on art and digital media! Students will explore a variety of tools and techniques through sketching, painting, and digital experimentation—perfect for young artists looking to expand their skills and express themselves.

### **Business Communication & Presentation Mastery**

**July 14 – July 25 | 9:00am-3:00pm | Cost: \$500**

Boost your public speaking and presentation skills! This workshop builds confidence and professionalism through hands-on activities designed to improve communication in business and everyday life.

### **STEM, Robotics & Coding**

**July 28 – August 8 | 9:00am-3:00pm | Cost: \$500**

Get hands-on with robotics and coding! Learn STEM skills through fun projects that teach problem-solving, engineering, and the power of tech in the real world.

**Register Here:**

**[Workshop Registration](#)**

***Students can register for more than one workshop to expand their skills in multiple areas!***
