## Earth Day & Earth Week Activities

On Tuesday, April 22nd our Grade 6 and SAC students took part in a community initiative to help clean up Highgate Park. This was a wonderful opportunity for the students to give back to the environment and take action locally. Markham City Councillor Isa Lee, visited with the students and was very appreciative of their efforts.

Students were encouraged to bring a litter-free lunch on Wednesday. This included using reusable containers, refillable water bottles, cloth napkins, and avoiding single-use plastics or packaged items. Students earned valuable points for their house league team by bringing in a litter-free. These points will go towards the overall total points to be tallied up at the end of the year.

### TC the Tiger SAYS: Friendly Tiger Reminders:

#### Parking Lot Reminders

Parents are reminded to drive slowly and carefully in the school parking lot. Please be courteous to other drivers and watch for pedestrians.

- Obey all traffic and parking regulations.
- Park only in designated parking spots and only park in the handicapped parking space with a permit.
- Parents who park at the back of the school by Entrance G are reminded not to park along the wall of the building and do not park along the pylons as it significantly reduces visibility of pedestrians.

With your cooperation we can ensure the safety of children walking to and from their cars in the parking lot.
