## HS Exams – Thursday, January 15 to Thursday, January 22, 2026

At the secondary level, the ability to write final exams is an essential skill for university preparation. At TCPS, all high school students have received thorough instruction from their teachers over the past few months on effective study techniques and have been provided with comprehensive exam outlines. We wish our high school students the best of luck as they undertake their final exams for Semester 1 courses.

## Making Spirits Bright: Project Confetti

This past holiday season, our students embraced another TCPS tradition: Project Confetti, an initiative dedicated to spreading joy to children at the Markham Stouffville Hospital.

Project Confetti provides blank boxes to volunteers who wish to donate items to the hospital's Children's Health Unit. Our Grades 1 to 8 students took this opportunity to make a difference by decorating these boxes and filling them with thoughtful gifts—everything from gift cards and books to toys, baby clothing, art supplies, and masks. Each box was personalized with colorful designs and uplifting messages, ensuring that every child receives not just a gift, but a heartfelt reminder that they are cared for.

Thanks to the incredible generosity of our senior elementary students, we collected enough to fill 50 beautifully decorated gift boxes! Additional donations that couldn't fit in the boxes were also included. Project Confetti will deliver these gifts to the hospital, brightening the holidays for children who need it most.

## Grade 1-5 Winter Festival – Friday, January 30th

On Friday, January 30th, TCPS will be hosting Le Carnaval D'Hiver for our grades 1 to 5 students. Students will participate in a variety of carnival fun in our Main Gymnasium that mimic the long-time traditions of the long-standing Carnival that takes place in Quebec. More specific details will follow in the upcoming weeks.
